International Friends

Connecting local hosts with international students

This program matches international students with hosts from the Oklahoma City community. Our hosts come from the neighborhood, area churches, and the OCU campus.

Volunteers are matched with one of our students and agree to be a friend to them over the academic year through the following ways:

- *Each month*, invite you to spend time with them. This could be to share a meal in their home or in a restaurant, attending events such as festivals or concerts, or including you in their family celebrations. You decide together on the type and number of events.
- *Each week*, stay in touch with you through a phone call, email, or card.
- *Recognize* your birthday and other important dates.

To register, complete and return an application to:
