

Undergraduate Fixed Rate Tuition Plan Semester Beginning Fall 2010

Oklahoma City University offers a 4 year, fixed rate tuition plan available to any undergraduate student who elects to enroll in the plan at the Student Financial Services Office prior to August 27, 2010. To be eligible for this plan, the student must matriculate in or before the Fall 2010 semester. The fixed rate for the block of 12-16 hours is \$12,600.00 per semester (or \$860.00 per credit hour) for 8 fall/spring semesters and summers in between. The fees charged each semester are not at a fixed rate and are subject to increases.

This plan is in effect beginning with the Fall 2010 semester and will end with the Spring 2014 semester. Any classes needed after the Spring 2014 semester will be charged at the published tuition and fees schedule in effect at that time.

By signing this document, I understand and agree to the terms of the plan.
