

INSTRUCTIONS TO ALL APPLICANTS

ADMISSION

Admission is competitive and openings are limited. Admission is determined by recommendation of the faculty after a thorough review of all application criteria, which include artistic achievement and potential and OCU's programmatic needs. No admission decision can be made prior to the completion of the application process. Early application is recommended for the best chance of admission and receiving financial aid. Applicants who request consideration for multiple programs will be considered program by program in the applicant's order of preference.

HOW TO APPLY

Please review the application and audition instructions carefully. Requirements are specified within each detailed program description available online.

1. Select a program. Applicants may request consideration for more than one program/session but must indicate an order of preference on the Application for Admission.
2. Complete the application for admission. Incomplete applications will not be considered. Please note application materials will not be returned.

Additional requirements for Financial Aid applicants: The application portion for financial aid must be completed and required tax documentation must be received with your application for admission to be considered for aid. Applicants may submit their aid application materials by mail, e-mail, or fax. Unless there is a significant and verifiable change in their financial circumstances, candidates cannot apply for financial aid after learning of their admission decision.

3. Submit the completed application with the application fee to the OCU Performing Arts Academy. The Academy will confirm receipt of application materials via email. Applicants should add these three addresses to their address book to ensure timely delivery: academy@okcu.edu; jmoad@okcu.edu; aorfanella@okcu.edu.
