## Now is the Time to Apply for Housing

Students who are under 21 years of age are required to live on campus. Exceptions are made for those who choose to live at home within a 30-mile radius. If your student has been admitted, you can [apply for housing online now!](#)

Students will use their BlinkLink User ID and password to log in to the housing application. Along with the housing application, there is a non-refundable \$250 housing processing fee. Please visit [okcu.edu/paymentsite](http://okcu.edu/paymentsite) to pay the fee. The university will accept housing applications on a rolling basis, but cannot guarantee room or roommate preferences as spaces fill.

Your student is encouraged to apply for housing when they get accepted to the university. By applying early it allows students to search out roommates within the housing portal to form relationships before Stars 101 and the academic year starts. Students are assigned to rooms based on their application answers, room preferences, and space availability. **Room assignments will be sent out on July 9th, 2020.** Before that date students will have the opportunity to log into the student portal to make any changes in their housing application where needed.

*Contact University Housing at (405) 208-6363 if you have any questions about the housing application process.*
