Move in time will be normal business hours: 9:00 am - 5:00 pm. If you didn't move in on Aug. 10th or 11th, it is VERY important that you make arrangements to move in on this day and time. If OKCU obligations require you to move in after the official move in date, you MUST contact the University Housing Office to request a special move in day and time. You must provide the exact date and time that you plan to arrive and move in. Please make your request at least 3 days prior to your planned arrival. Special move ins are not guaranteed if a request has not been made. Move ins are typically not processed outside business hours without prior approval. If you will be arriving outside of business hours and have not been approved to move in, please make arrangements to stay in a hotel the first night and move in the following morning.
