

# Student Outcomes – Graduating Class of 2018

Class of 2018 includes graduates from July 1st, 2017 through June 30th, 2018

Data were collected from exit surveys at the time of graduation and follow-up surveys six months after graduation. Student Outcomes Surveys distributed six months after Spring graduation to all students graduating between July 1<sup>st</sup> 2017 and June 30<sup>th</sup> 2018. Outcomes from all sources were compiled to provide the following data. For those who provided multiple responses, the most recent data were used. Employment rates are based on the number with employment outcomes (based on [NACE definitions](#)) among those for whom data were available.
