Dr. Caputi is the editor of the Innovation Center, a column in the National League for Nursing’s journal Nursing Education Perspectives. She is a Certified Nurse Educator and a fellow in the NLN’s Academy of Nursing Education, and has served on the NLN’s Board of Governors. She has won six awards for teaching excellence from Sigma Theta Tau. She has recently co-authored the book Mastering Concept-based Teaching: A Guide for Nurse Educators and authored the student textbook Think Like a Nurse: A Handbook. She has also edited four books for the NLN over the last five years. Dr. Caputi is president of Linda Caputi, Inc., a nursing education consulting company, and has worked with hundreds of nursing programs over the last 20 years on topics related to teaching students clinical judgment, revising curriculum, transforming clinical education, test item writing and test construction, using an evidence-based model for NCLEX® success, assisting with accreditation, and numerous other nursing education topics.

Groups of 10 or more can save 10% on registration. For more information, contact Christopher Black at (405) 208-5832 or cblack@okcu.edu.
